C4DI Membership Packages – What's Included (for ease of comparison, see matrix)

Our membership packages are designed to provide you with the best possible experience at C4DI, offering access to workspace, support, and opportunities to grow your business and connect with others in our community. We are based in Hull's most sought-after area, @TheDock, placing you right next to Humber Street with its mix of independent shops, restaurants, and bars - including Nibble, a firm favourite with our community. You'll also find great local amenities nearby, such as hair and beauty salons and the TC60 gym, making it easy to balance work, wellbeing, and a bit of downtime.

The terms and conditions of all membership packages mentioned below will be reviewed annually, and members will be notified of any change in advance.
